# HYDROGRIP

## Stays Put. No Matter What.

Hydrogrip® offers a premium range waterproof wood adhesives designed for heavy-duty bonding where strength truly matters. Built to perform in wet, humid, and high-stress conditions, it forms an exceptionally strong bond that resists water, heat, and wear over time. Ideal for furniture, doors, windows, plywood, and marine-grade applications, Hydrogrip® ensures superior grip, lasting durability, and flawless finish.

Beyond ordinary adhesives, trust Hydrogrip® for bonds that don't give up.
